

Baghdad University workshops 2018

No.	Type	Title	Date	Duration	Specialty	Sponsor
1	workshop	Basic principles of assessment	10/12/2018	Two days	Medical and health sciences	College of medicine
2	workshop	Psychological damage and exposure to violence and war	05/03/2018	Two days	Medical and health sciences	College of medicine
3	workshop	Drug abuse or addiction among young people	10/04/2018	Two days	Medical and health sciences	College of medicine
4	workshop	Chronic diseases epidemiology after 2003	18/03/2018	Two days	Medical and health sciences	College of medicine
5	workshop	Training of family medicine diploma students	12/01/2018	Two days	Medical and health sciences	College of medicine
6	workshop	Growth in children with diabetes	05/04/2018	Two days	Medical and health sciences	College of medicine
7	workshop	Feeding children with diabetes	18/01/2018	Two days	Medical and health sciences	College of medicine
8	workshop	Healthy food	14/03/2018	Two days	Medical and health sciences	College of medicine
9	workshop	Approach to children with delayed development	18/02/2018	Two days	Medical and health sciences	College of medicine

10	workshop	Updates in liver diseases	11/03/2018	Five days	Medical and health sciences	College of medicine
11	workshop	Updates in thyroid disease	08/04/2018	Five days	Medical and health sciences	College of medicine
12	workshop	Updates in hematology	06/05/2018	Five days	Medical and health sciences	College of medicine
13	workshop	Neonatal diseases	22/07/2018	Five days	Medical and health sciences	College of medicine
14	workshop	Updates in asthma	19/08/2018	Five days	Medical and health sciences	College of medicine
15	workshop	Management of renal stones	21/10/2018	Five days	Medical and health sciences	College of medicine
16	workshop	Pediatric life support	18/11/2018	Five days	Medical and health sciences	College of medicine
17	workshop	Team base learning (TBL) : Improve teaching in large group	26/02/2018	Two days	Medical and health sciences	College of medicine
18	workshop	Communication skill (CS): - Talking to patient family, informed consent, breaking bad news	19/03/2018	Two days	Medical and health sciences	College of medicine
19	workshop	OSCE	23/04/2018	Two days	Medical and health sciences	College of medicine
20	workshop	Advance course in medical assessment	14/05/2018	Two days	Medical and health sciences	College of medicine
21	workshop	Writing objectives	22/10/2018	Two days	Medical and health sciences	College of medicine
22	workshop	Setting an effective workshop	07/03/2018	One day	Medical and health sciences	Al-Kindy college of medicine

23	workshop	Best method to write SMART Learning objectives	28/03/2018	One day	Medical and health sciences	Al-Kindy college of medicine
24	workshop	Question paper setting and blue printing	25/04/2018	One day	Medical and health sciences	Al-Kindy college of medicine
25	workshop	Access to Hinari Program	28/02/2018	One day	Medical and health sciences	Al-Kindy college of medicine
26	workshop	Family medicine concept inclusion in the elementary studies at the medical colleges	18/04/2018	One day	Medical and health sciences	Al-Kindy college of medicine
27	workshop	Use of biostatistics in medical research	03/10/2018	One day	Medical and health sciences	Al-Kindy college of medicine
28	workshop	Building capacity in the study design	07/11/2018	One day	Medical and health sciences	Al-Kindy college of medicine
29	workshop	Plan of crisis management	14/03/2018	One day	Medical and health sciences	Al-Kindy college of medicine
30	workshop	Use of laser in gum surgery and lip repositioning flap	16/04/2018	One day	Medical and health sciences	College of dentistry
31	workshop	Flexible dental kits	01/11/2018	One day	Medical and health sciences	College of dentistry
32	workshop	Optimizing the use of HPLC in pharmaceutical analyses	14/03/2018	One day	Medical and health sciences	College of pharmacy
33	workshop	Separation and purification of natural compounds	09/05/2018	One day	Medical and health sciences	College of pharmacy
34	workshop	Occupational injuries of patients	14/11/2018	One day	Medical and health sciences	College of nursing
35	workshop	Ministry of Health/Medical City Department/Public Health Department	2018/11/14	One day	Medical and health sciences	College of nursing

36	workshop	Writing of scientific sources by the use of Microsoft Office Word program	18/01/2018	One day	Medical and health sciences	College of nursing
37	workshop	Early detection of breast and cervical cancer	02/04/2018	One day	Medical and health sciences	College of nursing
38	workshop	Quality of laboratories according to ISO-17025 specification	14/05/2018	Two days	Engineering & technology	College of engineering
39	workshop	Occupational safety and security in mechanical workshops	20/02/2018	One day	Engineering & technology	Al-Khwarizmi college of engineering
40	workshop	Workshop on HTML5, CSS3 and Offline apps	29/03/2018	One day	Engineering & technology	Al-Khwarizmi college of engineering
41	workshop	Ways to prepare agricultural media and diagnose of bacteria	26/02/2018	Two days	Medical and health sciences	College of science
42	workshop	Cholera epidemic: modes of transmission and techniques of prevention and non-proliferation	13/03/2018	One day	Medical and health sciences	College of science
43	workshop	Instructions and conditions of laboratory work	03/06/2018	One day	Medical and health sciences	College of science
44	workshop	Wireless sensor network (WSN)	10/04/2018	One day	Natural Sciences	College of science
45	workshop	Smart applications of geographic information systems	15/05/2018	One day	Natural Sciences	College of science
46	workshop	Seismic imaging	17/08/2018	One day	Natural Sciences	College of science
47	workshop	Optimum use of antibiotics and practical applications of the basics of choosing them for conducting sensitivity testing with the traditional way via (VITEK) device	14/03/2018	One day	Medical and health sciences	College of science
48	workshop	Useful insects and their uses	16/04/2018	One day	Natural Sciences	College of science
49	workshop	Healthy nutrition for diabetics	29/04/2018	One day	Natural Sciences	College of science

50	workshop	Biofilm of bacteria and methods of investigation	18/09/2018	One day	Medical and health sciences	College of science
51	workshop	Study of rocks and minerals	21/06/2018	Two days	Natural Sciences	College of science
52	workshop	Mathematical statistics and the use of (SPSS) software in scientific applications	27/09/2018	Two days	Natural Sciences	College of science
53	workshop	Optical telescope	20/02/2018	One day	Natural Sciences	College of science
54	workshop	Eliza applications in life chemistry	10/04/2018	One day	Natural Sciences	College of science
55	workshop	Solar filters manufacturing with the use of plasma technology	13/03/2018	One day	Natural Sciences	College of science
56	workshop	Switching to E-archiving in our university institutions	17/02/2018	One day	Natural Sciences	College of science
57	workshop	Incubator technology and labor market requirements in cooperation with Iraq Zain Company	20/03/2018	One day	Natural Sciences	College of science
58	workshop	Electronic payment services today in Iraq in cooperation with Zain cash and a number of banks and community companies	01/11/2018	One day	Natural Sciences	College of science
59	workshop	Electronic administrative network	01/11/2018	One day	Natural Sciences	College of science
60	workshop	Bio booster bacteria	10/10/2018	Two days	Natural Sciences	College of science
61	workshop	Emotional intelligence and its relationship to the effectiveness and leadership role of women in society	29/03/2018	One day	Humanities	College of science for women
62	workshop	Code of chemists' ethics	20/02/2018	One day	Natural Sciences	College of science for women
63	workshop	Trade-off between modern programming languages in academic education: reasons and justifications	25/02/2018	One day	Engineering & technology	College of science for women
64	workshop	Grassy garden inauguration: definition of the scientific garden	06/03/2018	One day	Natural Sciences	College of science for women

65	workshop	Origin Program	15/03/2018	Two days	Natural Sciences	College of science for women
66	workshop	Protection of freshwater environment in Iraq from the damage caused by the use of unconventional weapons: (legal study)	04/04/2018	One day	Natural Sciences	College of science for women
67	workshop	Development and management of student-teacher interaction methods	28/02/2018	One day	Humanities	College of science for women
68	workshop	Spectral techniques in life chemistry	26/02/2018	One day	Natural Sciences	College of science for women
69	workshop	Medical diagnosis with the use of computer	14/11/2018	One day	Engineering & technology	College of science for women
70	workshop	Small enterprise management and manufacturing methods	26/12/2018	One day	Humanities	College of science for women
71	workshop	Talk the correct Arabic	01/10/2018	One day	Humanities	College of science for women
72	workshop	Use the method of immunosorption of enzymes	10/10/2018	One day	Natural Sciences	College of science for women
73	workshop	Flexible computing: concepts and applications	16/10/2018	One day	Engineering & technology	College of science for women
74	workshop	Dip coating	21/10/2018	Two days	Natural Sciences	College of science for women
75	workshop	Analysis of large data	18/12/2018	One day	Engineering & technology	College of science for women
76	workshop	Seventh workshop for the undergraduate students research of the fourth stage	09/05/2018	One day	Natural Sciences	College of education for pure Ibn al-Haitham
77	workshop	Importance of borax glass and its multiple applications in absorbing harmful radiation and maintaining individual health and environment	12/03/2018	One day	Natural Sciences	College of education for pure Ibn al-Haitham
78	workshop	How to make use of X-ray data using software	02/05/2018	One day	Natural Sciences	College of education for pure Ibn al-Haitham
79	workshop	Workshop for students in three intermediate and high school schools	04/04/2018	Three	Natural Sciences	College of education for pure

				days		Ibn al-Haitham
80	workshop	Life statistical analysis programs	08/05/2018	Two days	Natural Sciences	College of education for pure Ibn al-Haitham
81	workshop	Statistical applications of (SPSS) of social sciences for beginners	24/01/2018	One day	Humanities	College of education for pure Ibn al-Haitham
82	workshop	Statistical applications of (SPSS) of social sciences for advanced	17/03/2018	One day	Humanities	College of education for pure Ibn al-Haitham
83	workshop	Google Apps Tutorials	16/04/2018	One day	Humanities	College of education for pure Ibn al-Haitham
84	workshop	Quality culture and its role in teaching performance evaluation	19/04/2018	One day	Humanities	College of education for pure Ibn al-Haitham
85	workshop	Scientific methods in evaluation of theses and dissertations Educational platforms	30/04/2018	One day	Humanities	College of education for pure Ibn al-Haitham
86	workshop	Educational platforms	07/05/2018	One day	Humanities	College of education for pure Ibn al-Haitham
87	workshop	Writing scientific research in English	14/05/2018	One day	Humanities	College of education for pure Ibn al-Haitham
88	workshop	Scientific foundations for reaching at the pioneer university	16/04/2018	One day	Humanities	College of administration and
89	workshop	Sources of psychological combustion faced by members of the teaching staff at Iraqi universities	20/01/2018	One day	Humanities	College of administration and
90	workshop	Management reform: outlook and future insights	14/03/2018	One day	Humanities	College of administration and

91	workshop	Building and strengthening trust in government services	26/11/2018	One day	Humanities	College of administration and
92	workshop	Time management as part of the self-development program and the functional skills that everyone needs	05/03/2018	One day	Humanities	College of administration and
93	workshop	Definition of "I want" platform and printing of electronic books in Verlag German pub. house	13/03/2018	One day	Humanities	College of administration and
94	workshop	Activating the research aspect of the university student	09/04/2018	One day	Humanities	College of administration and
95	workshop	Applied curricula in the study of languages: ((Arabic language as a model	18/01/2018	One day	Humanities	College of languages
96	workshop	Educational and scientific motivation for university students	21/02/2018	One day	Humanities	College of languages
97	workshop	Ways to promote the teaching of Syriac language	26/03/2018	One day	Humanities	College of languages
98	workshop	Iraqi social heritage and promotion of identity and nationalism: reading of ancient Italian texts	29/11/2018	One day	Humanities	College of languages
99	workshop	Geographic Information System (GIS) techniques in the departments of geography	07/03/2018	One day	Humanities	College of arts
100	workshop	National identity in Iraq in the light of Kurdistan regional referendum	19/03/2018	One day	Humanities	College of arts
101	workshop	The Arab fiction between heritage and contemporary	28/03/2018	One day	Humanities	College of arts
102	workshop	Climatic and environmental changes	11/04/2018	One day	Humanities	College of arts
103	workshop	Scientific translation	05/11/2018	One day	Humanities	College of arts
104	workshop	Philosophy of science and the problems of theory and approach in social sciences	14/11/2018	One day	Humanities	College of arts

105	workshop	Historical era problem	21/11/2018	One day	Humanities	College of arts
106	workshop	Desirable and undesirable behaviors in the university environment	03/12/2018	One day	Humanities	College of arts
107	workshop	The reality of practical education in education colleges in Iraq	22/01/2018	Two days	Humanities	College of education for humanities Ibn Rushd
108	workshop	Women, democracy and human rights	09/03/2018	One day	Humanities	College of education for humanities Ibn Rushd
109	workshop	Youth, peace and social security: peacemakers: popular crowd as a model	04/04/2018	One day	Humanities	College of education for humanities Ibn Rushd
110	workshop	Professional ethics for college staff	07/02/2018	One day	Humanities	College of education for humanities Ibn Rushd
111	workshop	Workshop on human rights for the instructors at the faculty	21/03/2018	One day	Humanities	College of education for humanities Ibn Rushd
112	workshop	University professor: Between rights and duties	19/02/2018	One day	Humanities	College of education for humanities Ibn Rushd
113	workshop	Mistakes in university theses	14/05/2018	One day	Humanities	College of education for humanities Ibn Rushd
114	workshop	Media discourse of the terrorist organizations: ISIS as a model	19/04/2018	One day	Humanities	College of education for humanities Ibn Rushd
115	workshop	Humanities curricula and labor market requirements	11/04/2018	One day	Humanities	College of education for humanities Ibn Rushd
116	workshop	External examiner project	10/10/2018	One day	Humanities	College of education for humanities

						Ibn Rushd
117	workshop	The role of basic schemes in construction of liberated cities using modern technologies	05/04/2018	One day	Humanities	College of education for huma Ibn Rushd
118	workshop	The geomorphological risks of melting and its role in the collapse of Mosul Dam	30/04/2018	One day	Humanities	College of education for huma Ibn Rushd
119	workshop	History and the contemporary society problems	18/01/2018	One day	Humanities	College of education for huma Ibn Rushd
120	workshop	History in the face of sectarianism and communal violence	25/01/2018	One day	Humanities	College of education for huma Ibn Rushd
121	workshop	History in the face of administrative corruption and power corruption	16/01/2018	One day	Humanities	College of education for huma Ibn Rushd
122	workshop	The role of history in the rapprochement of religions and doctrines	23/01/2018	One day	Humanities	College of education for huma Ibn Rushd
123	workshop	Responsibility of the historian in the codification of post-war and post-crisis realities and events	30/01/2018	One day	Humanities	College of education for huma Ibn Rushd
124	workshop	Classification of Chicago School and the American Psychologists Foundation in the historical research curriculum	06/02/2018	One day	Humanities	College of education for huma Ibn Rushd
125	workshop	Deviant behaviors and their relationship to communication technology	2018/4/24	One day	Humanities	College of education for wom
126	workshop	Effective presentation: workshop	14/02/2018	One day	Humanities	College of education for wom
127	workshop	Third annual cultural activity of students	23/04/2018	One day	Humanities	College of education for wom

128	workshop	Horoscopes and astrology between custom and Sharia	27/02/2018	One day	Humanities	College of education for wom
129	workshop	First stage students at all college departments	21/02/2018	One day	Humanities	College of education for wom
130	workshop	Fourth stage students at all college departments	26/04/2018	One day	Humanities	College of education for wom
131	workshop	Graduates of all college departments: (training)	03/09/2018	Four days	Humanities	College of education for wom
132	workshop	Students of the fourth grade and graduates of all college departments	05/11/2018	One day	Humanities	College of education for wom
133	workshop	Graduates of all college departments	10/12/2018	One day	Humanities	College of education for wom
134	workshop	Educational portfolios and their importance	04/03/2018	One day	Natural Sciences	College of education for wom
135	workshop	Slums and their impact in Baghdad	15/04/2018	One day	Humanities	College of education for wom
136	workshop	Methodology of scientific research in postgraduate studies	30/04/2018	One day	Humanities	College of education for wom
137	workshop	Home economics and community development in the context of globalization	11/03/2018	One day	Humanities	College of education for wom
138	workshop	Academic program	18/02/2018	One day	Humanities	College of education for wom
139	workshop	Performance evaluation for teaching, staff and senior leadership	12/03/2018	One day	Humanities	College of education for wom
140	workshop	Performance evaluation for teaching, staff and senior leadership Behavioral and psychological problems of students in dormitories	16/04/2018	One day	Humanities	College of education for wom
141	workshop	Social networking sites between security and fear	15/02/2018	One day	Humanities	College of education for wom
142	workshop	Time management and how to invest leisure time for undergraduate students	12/11/2018	One day	Humanities	College of education for wom
143	workshop	The role of alternative media in contemporary societies	11/02/2018	One day	Humanities	College of media

144	workshop	Radio and television surveys	20/03/2018	One day	Humanities	College of media
145	workshop	Course on testing polymer series and its applications	05/11/2018	Five days	Medical and health sciences	College of veterinary medicine
146	workshop	A course on diagnosis of bacteria using Rapid System kit	14/11/2018	One day	Medical and health sciences	College of veterinary medicine
147	workshop	The basics of Eliza's technology and its applications in diagnosis	14/03/2018	Two days	Medical and health sciences	College of veterinary medicine
148	workshop	Tissue transplantation	01/03/2018	Five days	Medical and health sciences	College of veterinary medicine
149	workshop	The most important common diseases endemic in Iraq and how to control them	26/03/2018	Two days	Agricultural sciences	College of veterinary medicine
150	workshop	Diagnosis of special enzymes and kidney diseases	25/02/2018	One day	Medical and health sciences	College of veterinary medicine
151	workshop	Razin technology risks and safety methods	24/01/2018	One day	Humanities	College of fine arts
152	workshop	Scrafito techniques: design and performance	27/02/2018	One day	Humanities	College of fine arts
153	workshop	Techniques of bronze casting: steps and implementation	22/03/2018	One day	Humanities	College of fine arts
154	workshop	Portrait performance experimentation via social networking between two sculptors	03/04/2018	One day	Humanities	College of fine arts
155	workshop	Hard paper preparation	04/01/2018	One day	Humanities	College of fine arts
156	workshop	The difference between music and vocal influence in soundtracks	12/03/2018	One day	Humanities	College of fine arts
157	workshop	Glazed Tile Technique	14/04/2018	One day	Humanities	College of fine arts
158	workshop	English language training workshop	20/11/2018	One day	Humanities	College of Islamic sciences
159	workshop	The incoming revolution in information technology	26/11/2018	One day	Humanities	College of Islamic sciences
160	workshop	Training workshop on the ethics of a knowledge seeker	03/12/2018	One day	Humanities	College of Islamic sciences

161	workshop	Fine Arts in serving the purposes of Sharia	11/12/2018	One day	Humanities	College of Islamic sciences
162	workshop	Wrong concepts: causes and solutions	18/12/2018	One day	Humanities	College of Islamic sciences
163	workshop	Origins of legislation	26/12/2018	One day	Humanities	College of Islamic sciences
164	workshop	Technical and legal stages of athletics/first stage	25/02/2018	One day	Humanities	College of physical education science
165	workshop	Modern methods of teaching the basic skills of racquet games for beginners and young people	15/03/2018	One day	Humanities	College of physical education science
166	workshop	Latest arbitration updates	15/03/2018	One day	Humanities	College of physical education science
167	workshop	The various catches according to law	25/03/2018	One day	Humanities	College of physical education science
168	workshop	Rehabilitation of sporting injuries	18/04/2018	One day	Medical and health sciences	College of physical education science
169	workshop	Physical fitness for the elderly	30/04/2018	One day	Medical and health sciences	College of physical education science
170	workshop	General Moderator of the official championships	01/10/2018	One day	Humanities	College of physical education science
171	workshop	Modern ways to learn swimming and the means used	01/10/2018	One day	Humanities	College of physical education science
172	workshop	Latest arbitration updates and the law of the game/second stage	21/10/2018	One day	Humanities	College of physical education science

173	workshop	Major international law updates for weightlifting competitions	10/11/2018	One day	Humanities	College of physical education science
174	workshop	Latest amendments to the International Law of Judu	15/11/2018	One day	Humanities	College of physical education science
175	workshop	Updates of the men's technical gymnastics act	18/11/2018	One day	Humanities	College of physical education science
176	workshop	Amendments to the law of gymnastics	28/11/2018	One day	Humanities	College of physical education science
177	workshop	Mechanism for the application of English terms in practical lessons for all school stages	06/03/2018	One day	Humanities	College of physical education science
178	workshop	The reality of training and mental speed in football	15/03/2018	One day	Humanities	College of physical education science
179	workshop	Obstacles to learning some basic skills of basketball for the initial stages and how to find the most suitable ways to solve them	08/11/2018	One day	Humanities	College of physical education science
180	workshop	Seasonal sports tests within (V.T.S.S) system	23/10/2018	One day	Humanities	College of physical education science
181	workshop	Studying the reality of Iraqi handball and ways to upgrade the level of practitioners	19/03/2018	One day	Humanities	College of physical education science
182	workshop	Common mistakes in the drafting of official addressees	25/04/2018	Two days	Natural Sciences	College of physical education science for women
183	workshop	Common mistakes in research writing for postgraduate students	25/01/2018	One day	Natural Sciences	College of physical education science for women

184	workshop	Mental health of players	01/11/2018	One day	Natural Sciences	College of physical education science for women
185	workshop	The concept of information technology and its relationship with sports devices and their impact on the development of sport management in line with global developments	16/01/2018	Two days	Natural Sciences	College of physical education science for women
186	workshop	Creative thinking and the quality of education	25/03/2018	One day	Natural Sciences	College of physical education science for women
187	workshop	Stress prospecting and rest periods in sports training	18/01/2018	One day	Natural Sciences	College of physical education science for women
188	workshop	Curriculum updating and development	22/02/2018	One day	Natural Sciences	Laser center for postgraduate
189	workshop	Features of creativity in contemporary urban and regional planning (showing global participation in ISOCARP Foundation Award)	16/01/2018	One day	Engineering & technology	Center for urban and regional
190	workshop	Technical prospects for urban transport in Baghdad	08/04/2018	One day	Engineering & technology	Center for urban and regional
191	workshop	Climatic changes and their impact on the planning of current Iraqi cities	18/11/2018	One day	Engineering & technology	Center for urban and regional
192	workshop	Marshes and spatial development	27/02/2018	One day	Engineering & technology	Center for urban and regional
193	workshop	Using GIS method in spatial planning	29/04/2018	One day	Engineering & technology	Center for urban and regional
194	workshop	The effects of multiplicity of modern commercial malls in the Iraqi city on the city's planning dimensions	01/03/2018	One day	Engineering & technology	Center for urban and regional

195	workshop	Vectors of pathogens and ways to control them	26/09/2018	One day	Natural Sciences	Center for research and natural history museum
196	workshop	The social aspect of South Korea's development process	16/01/2018	One day	Humanities	Center for strategic and international studies
197	workshop	Iraqi-Turkish relations after 2003	22/01/2018	One day	Humanities	Center for strategic and international studies
198	workshop	General amnesty law: a study of the political dimension	28/01/2018	One day	Humanities	Center for strategic and international studies
199	workshop	The role of the Iraqi parliament in the fight against corruption	25/02/2018	One day	Humanities	Center for strategic and international studies
200	workshop	The ancestral movement: its roots and its Iraqi and regional extensions	08/03/2018	One day	Humanities	Center for strategic and international studies
201	workshop	Iran and the Syrian crisis	26/03/2018	One day	Humanities	Center for strategic and international studies
202	workshop	Iraq's water policy challenges	02/04/2018	One day	Humanities	Center for strategic and international studies
203	workshop	Extremism and the growth of the Extremist Right in Europe	15/04/2018	One day	Humanities	Center for strategic and international studies

230	workshop	The role of the cultured class in society in educating the Iraqi electorate	17/12/2018	One day	Humanities	Center for strategic and international studies
231	workshop	Civil society institutions and the possibility of changing the reality in the Arab countries	11/12/2018	One day	Humanities	Center for strategic and international studies
232	workshop	The role of the curriculum in promoting the symbolic capital: the image of Iraq as a model	06/12/2018	One day	Humanities	Center for strategic and international studies
233	workshop	Problems facing research centers at University of Baghdad	17/04/2018	One day	Social sciences	Center for educational and post-research
234	workshop	Establishment of the Royal Medical College in Baghdad	26/09/2018	One day	Humanities	Center for revival of Arab scientific heritage
235	workshop	Heritage in the modern Iraqi novel	06/06/2018	One day	Humanities	Center for revival of Arab scientific heritage
236	workshop	Writing Challenges for High Impact Academic Journals	21/01/2018	One day	Engineering & technology	Computer Center
237	workshop	Computer-Based Testing (CBT)	05/02/2018	One day	Engineering & technology	Computer Center
238	workshop	Student e-management system	28/03/2018	One day	Engineering & technology	Computer Center
239	workshop	Smart e-Government	04/04/2018	One day	Engineering & technology	Computer Center
240	workshop	Cognitive Computing	10/04/2018	One day	Engineering & technology	Computer Center
241	workshop	Wireless Sensor Networks Security	11/04/2018	One day	Engineering & technology	Computer Center

242	workshop	Competitive examination using Model software	02/05/2018	One day	Engineering & technology	Computer Center
243	workshop	Reliability of Distribution Power Systems	09/05/2018	One day	Engineering & technology	Computer Center
244	workshop	Cosmetic surgeries: pros and cons	29/01/2018	One day	Medical and health sciences	Center for development and education
245	workshop	Blood pressure: causes and treatments	28/03/2018	One day	Medical and health sciences	Center for development and education
246	workshop	Diabetes: causes and modern treatments	26/09/2018	One day	Medical and health sciences	Center for development and education
247	workshop	Psychological engineering and its dimensions in performance development	07/11/2018	One day	Humanities	Center for development and education
248	workshop	Practical applications of Dewey Decimal Classification system in its twenty-third edition	16/01/2018	Two days	Humanities	General secretariat of the center
249	workshop	Marketing strategy of library services	07/02/2018	Two days	Humanities	General secretariat of the center
250	workshop	Modern indexing (RDA): description and availability of sources	14/02/2018	Two days	Humanities	General secretariat of the center
251	workshop	Investment of PDF fill Tools in office business	19/02/2018	Two days	Engineering & technology	General secretariat of the center
252	workshop	Development of scientific vocabulary: (language and literature)	21/01/2018	One day	Humanities	College of languages
253	workshop	Consolidation of translation of official documents	04/04/2018	One day	Humanities	College of languages
254	workshop	Teaching methods and ways to overcome obstacles in languages teaching: German language as a model	17/01/2018	One day	Humanities	College of languages
255	workshop	Using a ready program for writing references	21/11/2018	Two days	Agricultural sciences	College of veterinary medicine

256	workshop	Major common diseases transmitted by rodents	23/04/2018	Two days	Agricultural sciences	College of veterinary medicine
257	workshop	DNA extraction from different sources	16/04/2018	Two days	Medical and health sciences	College of veterinary medicine
258	workshop	Definition of how to treat tissue samples and prepare microscopic slides	25/04/2018	Two days	Natural Sciences	College of veterinary medicine
259	workshop	Use of scientific diagnostic techniques	30/09/2018	One day	Medical and health sciences	College of veterinary medicine
260	workshop	Tissue pathological testing techniques	15/11/2018	Two days	Medical and health sciences	College of veterinary medicine
261	workshop	Use of secondary particles in medicine	03/03/2018	Seven days	Medical and health sciences	College of veterinary medicine
262	workshop	A look at the reality of the diseases among farm animals	25/03/2018	One day	Agricultural sciences	College of veterinary medicine
263	workshop	The importance of learning something about eye worms disease in ruminants	26/03/2018	One day	Agricultural sciences	College of veterinary medicine
264	workshop	Practical part of the identification of ingestion worms and eye worms in ruminants	27/03/2018	One day	Agricultural sciences	College of veterinary medicine
265	workshop	Applied cases of the modern electronic discovery form	25/01/2018	One day	Humanities	College of physical education science
